6. Governance, Leadership and Management:

| Item | | Remarks |
|------|---|---|
| 1 | To realise the Institutional vision and Mission by the administration | <p>Certain objectives are set to realise the vision and mission of the college. These are:</p> <ul style="list-style-type: none"> ★ To develop awareness towards learning ★ Generation of scientific temperament amongst the masses ★ Emphasizing the all-round socio-economic development of the region |
| 2 | Distribution of works among the academic/administrative staffs | Principal of the college holds regular meetings with HoDs, teaching and non-teaching staff for preparation of action plan, course plan and academic calendar. Different committees are formed as per suggestion from GB with representation from teaching and non-teaching staff for smooth conduct of the administration, development and academics. |
| 3 | Faculty Development Program initiatives | The institution and IQAC extend support to all the departments for academic and technical development of faculty members. Institution support departments to conduct field works, projects along with the students to develop research activity amongst the teachers and students. It encourages the faculty members to join the FDPs and grant leaves to participate in seminars/ workshops/ conferences and FDPs. In 2021, IQAC conducted one virtual FDP on "Quality Virtual Classes" which helped the faculties to know about the latest ITC tools and their use in teaching during the time of pandemic. |
| 4 | Staff Welfare Initiatives | A welfare fund has been created by depositing a minimum fixed amount each month from every faculty member. The fund thus collected is deployed for conducting various activities of the teachers and for the welfare schemes as and when required. |
| 5 | Financial management and Audit of finances | The college strictly adheres to the govt. rules and regulations for utilisation of grants and funds received from different sources. The principal/DDO is empowered to utilise the funds and grants with prior approval of the GB except staff salary. The college annually conducts external audit by CA. |

| | | | |
|----|--|---|--|
| | | Auditor of Department of Accounts and Treasury, Govt. of Assam verify and audit the income and expenditures of the college. | |
| 6 | Resource Mobilization | The institute formulates its strategies to mobilise funds from govt. and non-govt. organisations, ensures utilisation of funds and resources. The college utilises its own resources and generated fund from pisciculture and agricultural sources. College provides infrastructure to install an ATM in the college premises and generated fund. | |
| 7 | Quality assurance initiatives of the College/Functioning of IQAC/Committees in (Minutes of the meetings)/participation in NIRF etc. | College is expected to participate in NIRF in near future. | |
| 8 | Implementation of e-governance in areas of operation | Student Admission is the area of operation where e-governance is implemented. | |
| 9 | Professional development /administrative training programs organized by the institution for teaching and non teaching staff during the last five years | The institution collaborates with ICT Academy for the professional development of its faculty members and organizes programmes to address non-teaching staffs. | |
| 10 | Number of Teachers undergoing FDP (Online/offline) | 14 | |

| | | | |
|----|------|---|--|
| 11 | IQAC | Internal Quality Assurance Cell (IQAC) plays a vital role in meeting the institution's vision and mission. Identifying the parameters and the strategies, IQAC chalks out certain plan of actions to be accomplished during the academic year. IQAC makes aware about it to the various sub committees and urges them to function as such. Through IQAC, the institution participates in National Assessment and Accreditation Council (NAAC) and All India Survey of Higher Education (AISHE). The teaching and non-teaching staff, academic departments are encouraged to get involved, organize and participate in development programmes to bring qualitative changes in the college. | |
|----|------|---|--|

7. Institutional Values and Best Practices:

| | Item | | Remarks |
|---|--|--|---------|
| 1 | Measures taken for gender equity in the college | <p>The following measures were taken to promote gender equity in the college:</p> <ol style="list-style-type: none"> 1. Installation of CCTV cameras 2. Security guard at the college entrance 3. Installation of complain box in the administrative building 4. Gender equity and sensitization in curriculum 5. Career guidance counselling cell 6. Separate Girls Common Room 7. Talks / Awareness programme on Women Safety | |
| 2 | Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities | To boost unity in diversity, Sadiya college is coming up with college magazine with articles written in seven different languages, namely, Assamese, Hindi, English, Nepali, Bodo, Missing and Tai. The entire process is in progress. | |

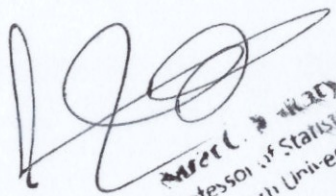

Principal
SADIYA COLLEGE
Chapakhowa-786157

| | | | |
|---|--|---|--|
| 3 | Best/innovative practices undertaken by the institution | 1. Digitalization of classroom and library 2. Organizing school outreach programme and delivering talks by the faculty members of the college to promote science. 3. Adoption of a nearby village named <i>Borjia</i> by the college. 4. Organizing webinars/workshops/interactive session/counselling programmes. | |
| 4 | Management of the following types of degradable and non-degradable waste : Solid waste management Liquid waste management Biomedical waste management E-waste management | Dustbins labelled as biodegradable and non-biodegradable are placed at different locations within the campus. | |
| 5 | Water conservation facilities available in the Institution | Digging of a pond for ground water recharge. | |
| 6 | Green campus initiatives Quality audits on environment and energy regularly undertaken by the Institution and any awards received for such green campus initiatives: • Green audit • Energy audit • Environment audit | 1. The normal yellow bulbs and tube lights are replaced by LED bulbs as part of energy saving initiative. 2. Establishment of Botanical Garden which was inaugurated by Padma ShriJadavPayeng on the occasion of National Science Day, 28 th February, 2022. 3. Cleanliness campaign was carried out by NSS Advisory committee of the College. | |
| 7 | The Institution has a prescribed code of conduct for students, teachers, administrators and other staffs | Yes, the Institution has a prescribed code of conduct for students, teachers, administrators, and other staffs. | |

|---|----------------------------------|--|--|
| 8 | Institutional Distinctiveness | The institution is imparting education to students from eight different communities. Being a college with students from multilingual communities it reflects the unity in diversity thereby motivating the students to be culturally rich. In addition, the college is situated on the border area between Assam and Arunachal Pradesh providing opportunities to have an exchange programme between the two states. | |

Recommendations/ Felt needs/ Ameliorative Measures

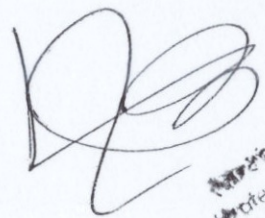

We feel duty bound to offer certain suggestions with regard to improvement of the academic and administrative atmosphere of the college. However, these are not standalone; rather they would be a part of continuous effort of the faculty and administration of the college in their relentless pursuit towards achieving the highest academic standard.

1. The Classroom infra-structure and Lab facilities need renovation and up gradation. And the college should increase the number of ICT-enabled classrooms.
2. Each Department should take urgent measures to open up certificate courses/value-added course as soon as possible.
3. Students internship program at the earliest (at least one per Department) to enhance the quality inventiveness of graduate students.
4. Use of ICT in teaching to be increased (using different digital/multimedia devices).
5. A few classes may be shown in the routine specifically. All ICT-enabled Classrooms may use log-book for effective record keeping measures.
6. Regarding identifying the slow learners, Induction classes (and evaluation metrics/processes etc.) to be arranged in the beginning of the session/semester to identify the slow learners. Necessary measures to be taken to support the slow learners through doubt clearing session/one-to-one contact classes etc. May be some more remedial classes arranged in a time mutually convenient for faculty and such struggling students. The Education Department may be requested to help all other depts. in this regard.
7. New faculty members must undergo Induction Training for faculty preferably within a year of their appointment. Teachers may be encouraged to take part in more quality improvement programmes offered by reputed institutions/UGC-HRDC/MHRD online/offline at a regular manner.
8. A workshops on linking Lesson Outcome/Program outcome/Course outcome/Program specific outcome and on use of ICT may be organised by the IQAC as soon as possible.
9. Faculty members be made aware of the variables of Students Satisfaction Survey (SSS) so that they are motivated towards achieving all with an aim for full satisfaction of the students.
10. The service of psychologists may be made available to the students at regular intervals. This can be achieved through anMoU with the nearby professional institutions/health centre.
11. In order to create a more conducive research publication atmosphere in the college, yearly best researcher/publication awards (Cash-Prize) may be instituted.

5/8/22

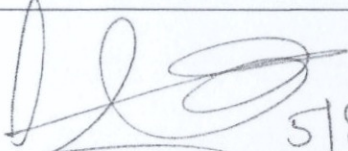

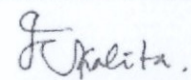

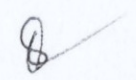

Principal
SADIYA COLLEGE
Chapakhowa-786157

12. Each academic Department should adopt least one nearby school and one village respectively.
13. Research Collaboration must be developed by each academic Department to develop formal MOU.
14. In the College an Innovation and Incubation Council to be established with the approval from the Dept. of Education, Govt of India, New Delhi.
15. The present College website may be made more attractive and informative. Further, the Department specific and individual faculty specific sites may be linked to the main page, so that detailed information are available about a Departments as well as an individual teacher.
16. College Canteen be refurbished.
17. The computer centre (language lab) facility should be made accessible to students from all disciplines. In this regard very short duration programmes on software (like excel, Power Point, tally etc.) which are useful in day-to-day activity may be conducted from time to time, may be one series in each Semester. The faculty in Computer Science Dept and the newly inducted young faculty may be engaged in this process.
18. The Faculty members may be encouraged to apply for Major research Projects from various funding agencies.
19. Computer assisted library management should be complete with other library facilities for students and faculty.
20. Office automation must be completed soon.
21. The College Campus must be maintained properly and a plantation drive may be started without any delay.
