

### ACTION TAKEN REPORT

As per the discussions in the meeting with the academic committee, the following decisions were taken in reference to the feedback provided by the students as well as teachers on curriculum and syllabus of the CBCS courses-

1. Faculty members are advised to devise their convenient approaches to deal with the syllabus which are found not to be in chronological order.
2. It was decided to procure more text books for the science courses.
3. In accordance with the feedback, some courses need more contact hours for completing the syllabus. Also, some units need less classes as compared to the allotted class hours in the syllabus or some units need more classes compared to the allotted class hours in the syllabus. Therefore, it was decided to suggest the faculty members to take extra classes for completing the syllabus if needed. Faculty members may adjust the contact hours for a course as per their convenience.
