Exam Stress management Programme cum Mental Health Screening and Counselling Session

An exam stress management programme cum mental health screening and counselling session was organized by the Department of mental health, Tinsukia Civil Hospital under the District Mental Health Programme in Sadiya College, in collaboration with the NSS unit, Sadiya College. The programme was conducted on 6.11.2019, with a total attendance of 88 participants. At the very outset, the welcome address was delivered by Dr. Brojen Borah, Principal i/c. The speakers of this programme spoke in length about how stress affects physical health. Several topics important to college students, like stress due to exams, competition, peer pressure, etc. were talked about, wherein techniques to mitigate these were also given. A very interactive session was conducted by all the speakers where they gave certain questions to assess the mental health status of all the participants. A feedback session was also conducted where a few participants spoke about their experience after attending the programme. At the end, the vote of thanks was delivered by Mr. Buddhi Kanta Mishra, Assistant Professor, Department of History, Sadiya College.

Planting of Saplings at Home

The current times of Covid is very challenging, not only for the students, but also for the community as a whole. During these tough times of nation wide lockdown, Sadiya College, in association with NSS, unit took the initiative to organize a plantation drive on 05.06.2020, where the students were asked to plant saplings at their respective homes. The positive outcome obtained from the initiative is that the people staying in their neighbourhood were greatly encouraged to plant saplings to create a green and healthy environment.
