## ICONIC WEEK CELEBRATION

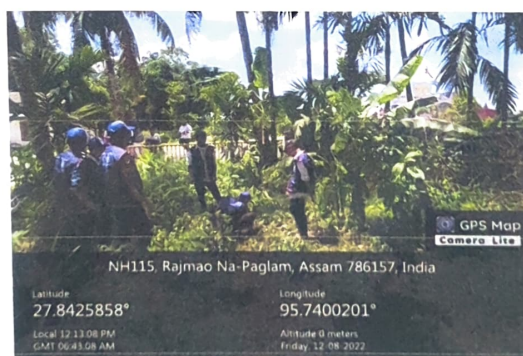

As a part of the Iconic Week celebration in Azadi ka Amrit Mahotsav, a cleanliness and plantation drive was organized by the NSS Unit of Sadiya College at *Shri Shri Boiragi Baba Than*, Sadiya aka Kundil Boiragi Temple, Sadiya, Dist- Tinsukia, Assam on 12<sup>th</sup> August, 2022.

The Temple is selected as one of the 100 iconic places in India for the year- 2022. The only major Vaishnavite temple in Sadiya is the *Boiragi Than*. It was established by Sri Keshav Dev of Auniati Satra in his exile during the rule of Gadadhar Singha in 17th century. During his exile, he remained as a '*Boiragi*': Assamese for a minstrel. It is unique in the sense that in this temple not just Vishnu is worshipped but almost all deities are worshipped, albeit in the form of '*Harinam-Kirtan*'.

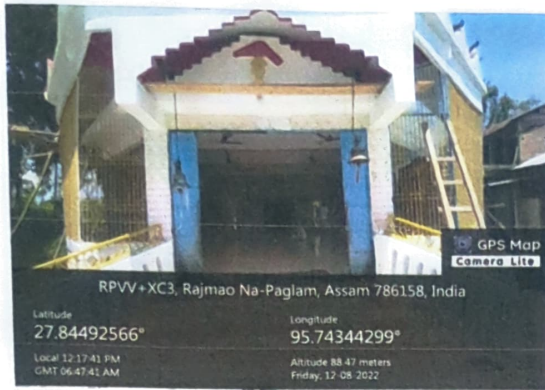

The iconic week aims to attract the participation of youth and volunteers under the overall spirit of "Jan Bhagidari and Jan Andolan". Keeping in view of the objective, a plantation and cleanliness drive was organized on 12<sup>th</sup> August, 2022, with more than 25 Volunteers from nearby villages. Due to ongoing Summer Vacations, many volunteers could not come and join the initiative. Dr. Bphen Chutia, Principal, Sadiya College planted a sapling in the presence of the Priests / Medhi of the temple. The Unit has also organised Cycle Rally to the iconic place on 13<sup>th</sup> August, 2022 to commemorate the Har Ghar Tiranga Campaign.

## Session on 'Sustainable Development Goals' at NSS Special Camp-2023

Date: 06/04/2023

**Name of Resource Person:** Dr. Jyotshna Keot, Head & Assistant Professor, Department of Botany, Sadiya College.

**Number of participants:** 34

A session on 'Sustainable Development Goals' was conducted on 06<sup>th</sup> April, 2023, in the morning session of the week long NSS Special camp at Borjiya LP School, Borjiya. Dr. Jyotshna Keot, Head & Assistant Professor, Department of Botany, Sadiya College, was the resource person for the session. The session was attended by 24 students of the college and 10 local people from Borjiya Village.

Dr. Keot enlightened the audience present about the Sustainable Development Goals framed by the United Nations and its importance in present context. She stated that the Sustainable Development Goals (SDGs) aim to transform our world. They are a call to action to end poverty and inequality, protect the planet, and ensure that all people enjoy health, justice and prosperity. Sadiya, being a region which was not connected to the mainland Assam by roads, till the completion of Dr. Bhupen Hazarika Setu in 2017 has a fragile ecosystem. The connectivity will boost in various developmental works or schemes in the region which will be a boon for the local people in terms of earning livelihood and employment. But these developmental works may / has already disturbed the natural ecosystem of the region. Therefore, local youth and public must be aware of the concept of sustainable development in this region.

The session ended with a vote of thanks by Devish Buragohain, NSS Volunteer, NSS Unit, Sadiya College.

Ms. Sibani Baruah, Assistant professor, Department of Commerce, Sadiya College, was the resource person for the session. 24 students were present in the session from various departments.

The session was primarily focused on three soft skills: Communication, problem solving & Active listening. Within communication, the students were made to understand the difference between formal and informal communication. Also, various tips on how to speak in public and how to give a speech were discussed. The importance of non verbal communication was also focused upon. A communication exercise was also conducted for the students in which random students were picked and asked to give speech on some easy topics using the tips discussed.

The importance of active listening was also highlighted in the session and the students were given an exercise on listening skills. An audio was played in loud speaker and the students had to listen to it carefully and comprehend it. Later, a questionnaire was given based on the audio and the students had to answer them and their listening power was judged based on it. The last part of the session focused on the problem solving skills of the students. A problem was given to the students and everyone was asked how they would respond to the respective problem. The students answered as per their own thought process. Thus, the session was successful in giving the students insights into some important soft skills which would be very important in every part of their career.

The session concluded with a vote of thanks by Nakul Neog, Programme Officer, NSS Unit, Sadiya College.
