FACULTY MEMBERS' FEEDBACK ON CURRICULUM

A process of taking feedback on curriculum and syllabus of the CBCS course was conducted among all the faculty members of the college for the session 2022-23. Faculty members from all the three streams responded for the same. Among them, 14 responses were from Arts stream, 2 responses were from Commerce stream and 14 responses were from the Science stream.

The questionnaire contains the following questions:

1. The courses under the programme are useful for students.
2. The course objectives are well defined.
3. The syllabus of the courses is designed in well manner.
4. The number of classes and contact hour, according to the syllabus is well designed.
5. It is easily possible to complete the syllabus in time.
6. There exist adequate number of resources like text book, reference book etc for better understanding of the topics under syllabus.
7. The contents of the syllabus are challenging to teach.
8. The syllabus covers advance and modern topics.
9. The courses are designed to improve skills of the students, employability index.
10. The courses will help the students to face real life situations
11. The courses and syllabus are too challenging for students.
12. Any Other suggestion

The students were instructed to fill response with a five-point scale with the options-

1. Strongly agree
2. Agree
3. Neutral
4. Disagree
5. Strongly disagree

The following is the report of the feedback in form of pie-charts.

ভাৰতীয় গৱেষণা
ONE EARTH - ONE FAMILY - ONE FUTURE

Some of the suggestions by the faculty members are:

1. Courses and syllabus should be in well ordered.
2. In mathematics courses are not in well ordered.
3. Make availability of text books as well as practical books as per syllabus for science.
4. The contact hours must be increased as per the syllabus.
5. Linear algebra and real analysis should be in separate papers.
6. Courses need to be more organised
7. The syllabus needs modifications
8. It's a well-defined syllabus meeting the needs of the students.
9. No. of lectures against the chapters is to be cross checked.
10. Resources should be published on time so that it is easy to run the course and also it is helpful for the students
11. Need to provide more study materials
12. Classes allocated for C12 (Quantum chemistry and spectroscopy) paper is not adequate.
13. In some courses, the chronological order of units should be reordered.
