

Best Library User Award by Sadiya College Central Library

Objectives of the Practice:

- a) To inspire the students to make the efficient utilization of the Library resources and its services.
- b) To focus the utility and worth of Library in the academic arena.

Library is the heart of any academic institution. It is an integral part of the institution as it contains books, publications and journals which make the students to build their reading habits. They get their desired information through various services such as Reference services, CAS, SDI, etc. In this time of Digital era, academic libraries are providing various computerised services and online resources to meet their needs. Modern library users want quick and up-to-date information. So, library has to play the role not only as a store house of books but as an information provider and it is one of the main objective of any library. Hence, to encourage reading of books, Sadiya College Central Library has started the annual 'Best Library User Award'.

To motivate the users to maximum utilise of library resources, services and facilities, library has the provision to bestow "Annual Best Library User Award" which is being chosen as his/her regular visit to the library, conduct and communication with the library staff, suggestion for advancement and library utilization. The award has been conferred in a special day, for example- Fresher's Day and Book Fair in the presence

of Principal, HOD of the Concern Department. Candidate and all the guests have been requested to comment on the library and the remarks of the candidate are being published in the department's Wall Magazine and College Magazine as well. The initiative has positive impact on disciplined library use, free interconnection with the library staff and authority and alter potential users into dynamic users. The name of the Best Library User since 2018-19 may be mentioned below:
