Date: 18-08-2025

NOTICE

This is to inform all **FYUGP 1st Semester** students that those who wish to apply for a change in the **Minor Subject** selected at the time of admission must submit an application in the **prescribed format** (attached herewith).

Students who have opted for **English** as their Minor are **compulsorily required to change the subject**, as English will **not be offered** as a Minor Subject for the current academic session. Additionally, the number of students who have selected **Political Science** and **Sociology** as their Minor exceeds the available seats. Therefore, excess students in these subjects will also be required to change their Minor. The allotment of Minor subjects in the above-mentioned cases will be carried out through **centralised counselling and subject allotment** on **26th and 27th August, 2025**. Students must submit the application in the prescribed format during the Counselling session.

Students from **Science** and **Commerce** streams may apply for a change of Minor Subject **starting today**, using the prescribed format.

The prescribed format is available on the **College Website** and can be downloaded and printed. A **hard copy** of the form is also available in the **College Library**.

For any queries, students may Contact: Dr. Nakul Neog, Convenor, NEP Counselling Cell, & Asst. Professor, Dept. of Zoology, Sadiya College.
