# COLLEGE PROFILE

**S**adiya, a historically important sub-division of Tinsukia district, is located in the far east of the state of Assam. The unique culture of the region has been shaped by many ethnic groups living through different historical eras. Once geographically isolated, the surface communication gap of the region has been narrowed down recently with the completion of several strategically important infrastructural projects. The region is surrounded by Arunachal Pradesh in the East, river Brahmaputra and Dibang in the South and West, respectively. The region is rich in biodiversity with several species of important flora and fauna.

Most of the population of the locality rely on cultivation and only a few of them could send their children out of the sub-division for pursuing higher education. Geographical isolation was a major impediment in the pursuance of higher education outside the region. Under such circumstances some farsighted citizens decided to setup a degree college at Chapakhowa through a historic resolution adopted in the meeting held in the first half of August, 1982 at Sadiya Govt. H.S. School. As a result, Sadiya College was established in the middle of Chapakhowa town on 6<sup>th</sup> September, 1982 with a great vision. After few years of enthusiastic performance and dedicated services of the teaching and non-teaching staffs the college was brought under the Deficit-Grant-in-Aid system by the Govt. of Assam in 1989. In this regard, the inexhaustible patience and abled guidance of the founder Principal Mr. Kirti Chandra Phukan is really praiseworthy.

As the lone higher academic institution in this entire region the college has been providing a platform for the realization of academic dreams of thousands of students from Sadiya and nearby areas of Arunachal Pradesh since its inception. The college provides courses in Arts, Commerce and Science both in graduate and undergraduate levels. The mission of the college is to disseminate knowledge, cater inclusive education to all and train the students for self-reliance, sustainable development and as responsible global citizens.

Located in a campus of 42 bighas of land the college has decent infrastructural facilities. The classrooms and administrative offices are housed in a large assam type pucca building. The college has a separate library building with sufficient resources and reading space. In addition to these the college has facilities like science laboratories, computer and language laboratories, gymnasium, parking place, hostels and canteen. The college is equipped with internet facilities like high-speed WiFi and optical fiber.

## Message from the Principal

**G**reetings from Sadiya College! Situated in the extreme eastern corner of Assam, Sadiya College is the lone seat of higher learning in the entire sub-division of Sadiya. It is a general degree college provincialized under Assam College Employee Provincialization Act No. XLVI of 2005. It is affiliated to Dibrugarh University and recognized by University Grants Commission. The college was accredited by NAAC in 2006. Right from its inception the College has held the pride in disseminating undergraduate education to the learners of this culturally diverse and vibrant area in all the three streams, i.e., Arts (1982), Commerce (2009) and Science (2020). It also offers various Certificate and Diploma courses under Krishna Kanta Handique State Open University, Guwahati in areas relevant to the emerging global trends. Endowed with a dedicated teaching faculty, Sadiya College aspires, in the coming days, to shine as an institution to reckon with and get reaccredited by NAAC.

The College is trying to provide adequate modern infrastructure with digital classrooms, laboratories, library, multi-purpose playground and canteen facilities in spite of all the challenges. It is worth mentioning that this landmass had remained cut off, since time immemorial, from the rest of India by the rivers Lohit and Dibang, till two bridges were built over the rivers in 2015 and 2018 respectively. Since then, however, this area has witnessed some slow signs of development, and yes, like all other aspirations of the people of Sadiya, the developmental aspirations of the college too will take some time for getting fulfilled. In the meanwhile, the college authority is leaving no stone unturned to tap all possible resources with the sole purpose of developing Sadiya College into a modern, vibrant and reputed institute of higher learning.

It is also gearing up to implement National Education Policy 2020 under the watchful eyes of the authorities concerned.

**Let's come together to develop ourselves into better human beings!**

### Vision of the college :

- To provide outstanding education and moral ethics to our students to achieve their goals.
- To establish institutional linkage with the common people of the society.
- To enlighten the society with scientific temperament and ethos of national integrity.
- To turn the college into a nodal facilitating centre for inclusive and sustainable development.

### Mission of the College :

- To disseminate quality education in the global perspectives to the learners.
- To enhance healthy academic atmosphere in the region to establish an egalitarian society.
- To provide personal enrichment opportunities to our learners.
- To expand and accommodate with the changing traits of higher education.

### Objectives :

- To develop awareness towards learning.
- Generation of scientific temperament amongst the masses.
- Emphasizing the all-round socio economic development of the region.

**Dr. Bhupen Chutia, M.A., Ph.D.**  
Principal, Sadiya College

### Definition of important terminology in FYUGP:

#### 1. Credits:

A 'credit' is a unit by which the coursework is measured. It determines the number of hours of instruction required per week over the duration of a semester (minimum 15 weeks). A course may have only a lecture component or a lecture and tutorial component or a lecture and practicum component or a lecture, tutorial and practicum component, or only practicum component. Credit shall be defined as

Sl. No	Components	Number of Hours per week	Number of hours per Semester	Credit
1	Lecture	1 Hour	15 Hours	1
2	Tutorial	1 Hour	15 Hours	1
3	Practicum, Laboratory Work, Seminar/Group Discussion	2 Hours	30 Hours	1
4	Experiential Learning, Internship, Community Engagement and services, Field visit/Industrial visit, Studio Activities, Field practices/projects etc.	3 Hours	45 Hours	1

#### 2. Academic Bank of Credits (ABC):

'Academic Bank of Credits (ABC)' is an academic service mechanism as a digital/virtual/online entity established and managed by MOE/UGC to facilitate students to become its academic account holders and paving the way of seamless student mobility, between or within degree-granting Higher Education Institutions (HEIs) through a formal system of credit recognition, credit accumulation, credit transfers and credit redemption to promote distributed and flexible teaching learning.

### 3. Academic Flexibility:

'Academic Flexibility' is the provision for innovative and interchangeable curricular structures to enable creative combinations of Courses/Programmes in disciplines of study leading to Certificate/Diploma/Degree of study offering multiple entry and multiple exit facilities removing the rigid curricular boundaries and creating new possibilities of life-long learning.

### 4. Credit accumulation:

'Credit Accumulation' means the facility created by ABC in the Academic Bank Account opened by the students across the country in order to transfer and consolidate the 'credits' earned by them by undergoing 'courses' in any of the eligible HEIs.

### 5. Credit recognition:

'Credit Recognition' means the credits earned through eligible /partnering HEIs and transferred directly to the ABC by the concerned HEIs.

### 6. Credit redemption:

'Credit redemption' means the process of commuting the accrued 'credits' in the Academic Bank Account of the students maintained in ABC for the purpose of fulfilling the 'credits requirements' for the award of Certificates/Diplomas/Degrees etc. by the degree awarding HEIs.

### 7. Credit transfer:

'Credit transfer' means the mechanism by which the eligible HEIs registered with ABC are able to receive or provide prescribed 'credits' to individual registered ABC account in adherence to the UGC credit norms for the 'course/s' registered by the desirous students in any HEIs within India.
